1 EMAIL ADDRESS
admin@nreccollege.ac.in

2 PASSWORD

3 SIGN IN

Default: admin@nreccollege.ac.in / admin@123

- 1 **Email Field** — Enter your administrator email (e.g., admin@nreccollege.ac.in).
- 2 **Password Field** — Enter your password. Click the eye icon to show/hide.
- 3 **Sign In Button** — Click to access the dashboard.

Step-by-Step Instructions

1 Open the Login Page

Go to `/admin/login` in your browser.

2 Enter Credentials

Type your email and password.

3 Click Sign In

You will be redirected to the Dashboard automatically.

First Time Login

Use the default credentials provided by IT and change your password immediately in Settings.

Dashboard

Purpose: View an overview of the website's statistics and recent activity.

Quick Actions:

 Post Notice

 Add News

 Create Event

 Add Faculty

- 1 Sidebar Navigation** — Use this menu to access all modules. Items are grouped by category.
- 2 Statistics Cards** — Shows total counts of notices, news, events, faculty, courses, departments, downloads, and gallery albums.
- 3 Quick Actions** — Shortcuts to create new notices, news, events, faculty, courses, or upload files.
- 4 Recent Activities** — Shows the latest records added across all modules.

Homepage Content

Purpose: Manage the content that appears on the front page of the website.

The screenshot displays the NREC Admin Workspace interface. On the left is a dark sidebar menu with categories: WEBSITE CONTENT, ACADEMICS, ADMINISTRATION, and ADMISSIONS & PLACEMENTS. The main content area features a top search bar, followed by quick links for Getting Started, Video Tutorials, and User Manuals. Below these are frequently asked questions, client handover documents, and a need technical support section. At the bottom is a glossary of terms.

How can we help you today?

Frequently Asked Questions

How do I change the Homepage slider?
Navigate to "Website Content" > "Banners". You can upload new images, change the text, and drag to reorder them.

What is the recommended image size for News?
For News and Events, a standard 800x600 pixels (or 4:3 aspect ratio) image works best. Max size is 2MB.

How do I hide a page without deleting it?
Edit the item and uncheck the "Visibility (Publish to Website)" toggle, then save. It will be hidden from the public site.

How do I add a new navigation link?
Go to "Website Content" > "Website Menu". You can add new links, create dropdowns, and link them to your created Website Pages.

Client Handover Docs

- Admin User Manual
- API Documentation
- Postman Collection

Need Technical Support?
If you encounter an error or need architectural changes, contact the development team.

Glossary of Terms

- Slug / Page URL**
The specific web address for a page (e.g. "about-us" makes the URL /pages/about-us).
- Visibility**
Whether a piece of content is currently live on the public website.
- JSON Array**
A technical format for a list of items. Must look like: ["Item 1", "Item 2"]
- Search Engine Settings (SEO)**
Information like Title and Description used by Google to display your page in search results.

- 1 Search Bar** — Search documentation by keyword.
- 2 Quick Links** — Jump to Getting Started, Video Tutorials, or User Manuals.
- 3 FAQs** — Common questions like "How do I change the Homepage slider?" answered.
- 4 Client Handover Docs** — Download the Admin User Manual, API Documentation, and Postman Collection.
- 5 Glossary** — Understand technical terms like "Slug / Page URL", "Visibility", "JSON Array", etc.
